PROFILE

I am an experienced web and mobile developer, passionate about creating innovative and user-friendly interfaces. With expertise in languages and frameworks such as HTML, CSS, JavaScript, Java, and React Native, I craft high-performing and visually appealing web and mobile applications.

My commitment to best development practices, coupled with a continuous learning mindset, enables me to effectively solve technical challenges and adapt swiftly to industry changes. I am also an effective communicator, adept at collaborating closely with team members to ensure project success. I am deeply passionate about my work and always seeking new challenges to further advance in my field.

EDUCATION

2022 - PRESENT
